

**New**

## **Community Service Projects**

New this year, the City is asking neighborhoods hosting picnics to “give back” to the community by providing a service project at, or prior to, their picnic. Some examples are:

- Carrying out a neighborhood clean-up
- Adopting a park
- Holding a supply drive (food, clothes, book, school supplies)
- Working with Habitat for Humanity (located in Benson Hill area)
- Picking up trash on streets & sidewalks and neighborhood school grounds
- Cleaning up graffiti
- Helping a neighbor in need
- Volunteering with a Renton non-profit or community group/project
